I wasn't sure how I exactly felt about what he said.

I don't know really.
After one point..., I just couldn't bring myself to play it any more.

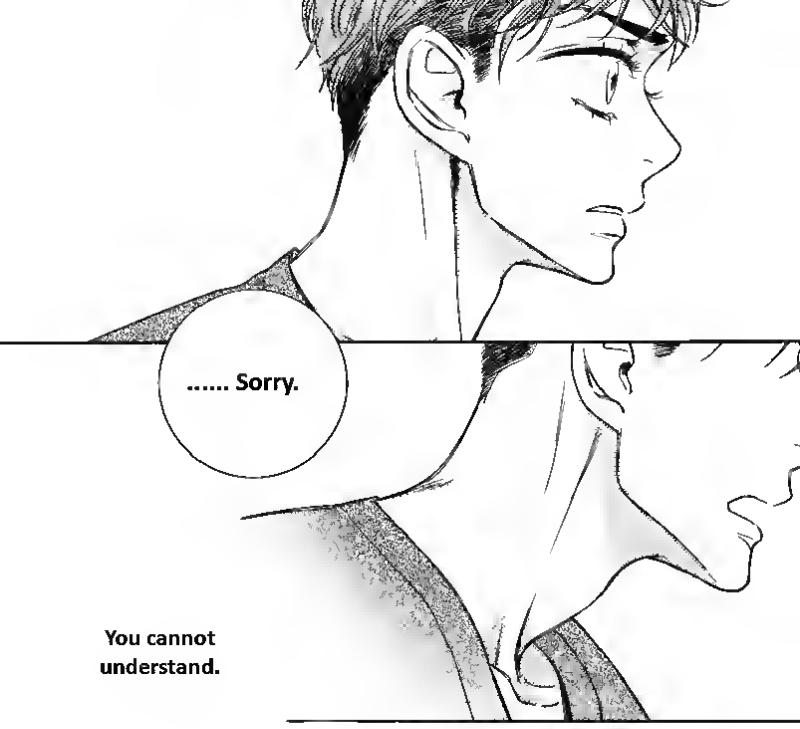
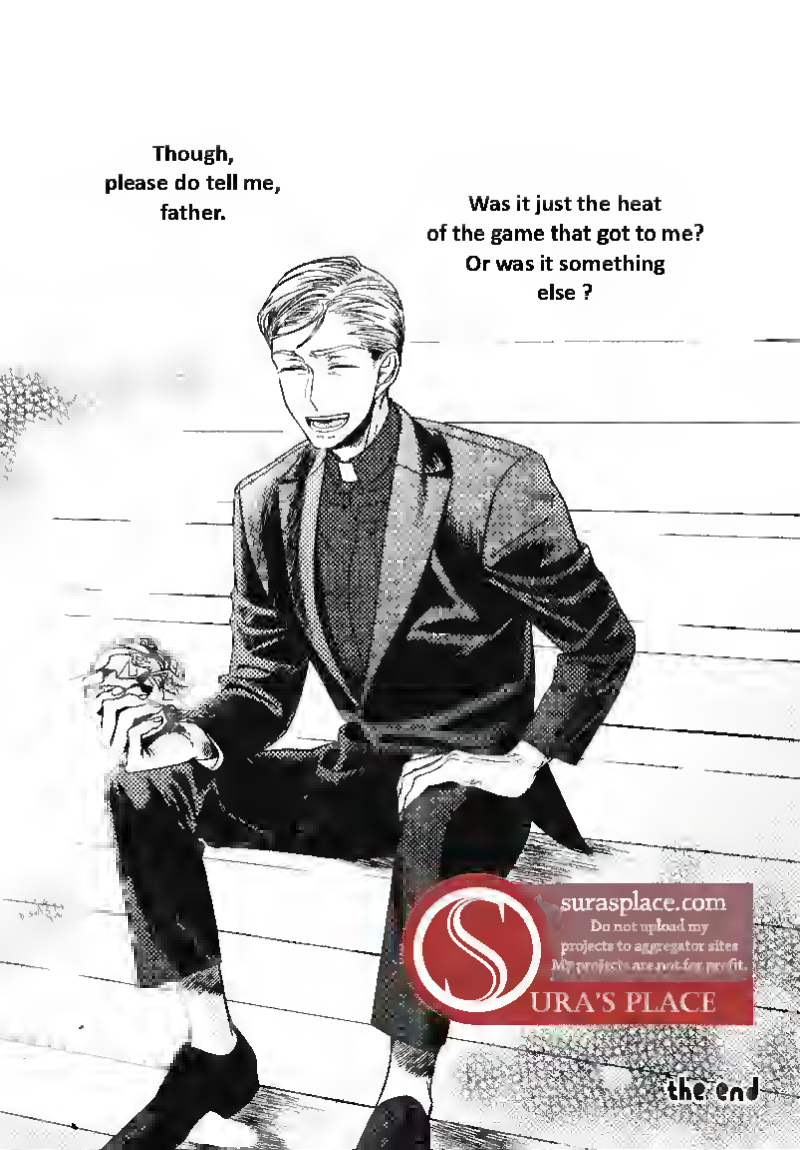
How did you know ?
Heh, come on. Don't say that even if it was a joke.

Nick ?
What's wrong?



You do not think of
someone like him that way.
He was like a step father to me.



Though,
please do tell me,
father.
Was it just the heat
of the game that got to me?
Or was it something
else ?
